

Homeless Legal Advocacy Project

The purpose of the Legal Services of Greater Miami, Inc. (LSGMI) Homeless Legal Advocacy Project is to represent homeless clients in civil legal matters. We are funded through a grant from the Homeless Trust, and we provide legal representation to clients who are currently homeless including those living in homeless shelters.

LSGMI conducts intake every other week at both Homeless Assistance Centers (HACs). We also interview clients at other Homeless Trust agencies. In addition, we conduct community education sessions for both homeless clients and case managers about legal issues.

Even if we cannot assist you with a legal problem, we may be able to refer you to other agencies that can assist you.
